

Your Introduction to Virtual Primary Care

In partnership with Recuro Health, Allied brings next gen Primary Care directly to you.

If you are enrolled in any one of the Allied medical plans, you have access to Virtual Primary Care. Your Virtual Primary Care benefits provide you and your covered family members access to virtual care services anytime, anywhere.

With this benefit, you have a direct touchpoint to top primary care physicians dedicated to understanding your needs and developing a tailored care plan to fit your lifestyle. Schedule same-day appointments conducted via video or phone.

Virtual Primary Care Features

- 1 Dedicated, board-certified, top-tier physicians, available when you are
- 2 At-home labs and health risk assessment for personalized care
- 3 Integrated Behavioral Health and Acute Care services
- 4 Same-day virtual appointments via phone or video
